

Steps to Access Our Math Textbook and Online Resources

1. Go to www.connected.mcgraw-hill.com
2. **Login username** is your child's first and last name followed by the number 30 (year he/she will graduate from high school). For example, *chiarabadano30*.

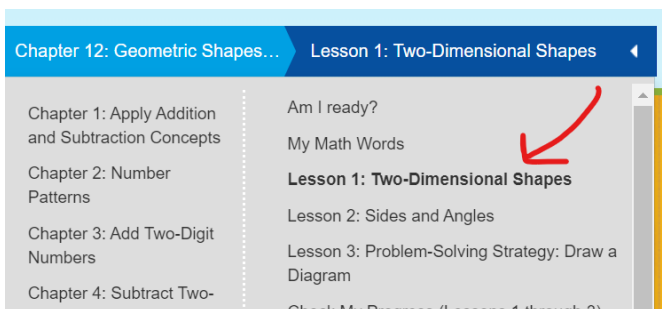

Login Password is *password1*

3. Click on the McGraw-Hill My Math book or the launch button to open the Student Center.

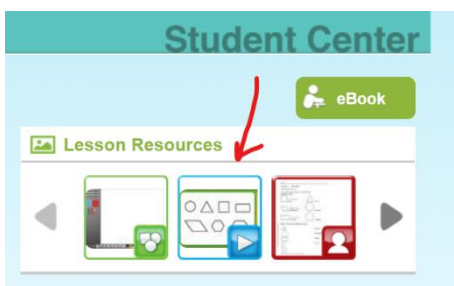

4. Click on the blue box that allows you to select the chapter. *We are currently on Ch. 12 : Geometric Shapes.*

5. Select the lesson.

6. Scroll through lesson resources.
